EDUCATION

Jul 2011 to Jun 2012 **ISMP Safe Medication Management Fellowship**
Program Director: Michael R. Cohen, RPh, M.S., ScD, FASHP
Institute for Safe Medication Practices
Horsham, Pennsylvania

Jul 2010 to Jun 2011 **Drug Information Residency PGY-2**
Residency Director: Joyce A. Generali, M.S., RPh, FASHP
University of Kansas Hospital
Kansas City, Kansas

Jul 2009 to Jun 2010 **Pharmacy Practice Residency PGY-1**
Residency Director: Samaneh T. Wilkinson, PharmD
Residency Coordinator: Carrie A. Lagasse, PharmD, BCPS
University of Kansas Hospital
Kansas City, Kansas

2005 to 2009 **Doctor of Pharmacy, *Cum Laude***
Lloyd L. Gregory School of Pharmacy
Palm Beach Atlantic University
West Palm Beach, Florida

2004 to 2005 **Associate Degree**
Pasco-Hernando Community College
New Port Richey, Florida

2002 to 2004 **Pre-Pharmacy Curriculum**
Rollins College
Winter Park, Florida

PROFESSIONAL EXPERIENCE

Sep 2012 to Present

Courtesy Clinical Assistant Professor

University of Florida College of Pharmacy

Gainesville, Florida

Preceptor for the APPE Medication Safety Rotation

Aug 2012 to Present

Medication Safety Pharmacist

North Florida Regional Medical Center

Gainesville, Florida

Committee Participation

- Lead the Drug Safety Committee (comprised of nurses, pharmacists, respiratory therapy, radiology, non-invasive lab, Risk Management, and Quality)
- Lead the Medication Error Committee (comprised of nurse and pharmacist leaders)
- Lead the Alaris Infusion Pump Committee (comprised of nurses, pharmacists, and Quality)
- Member of the Pharmacy & Therapeutics Committee
- Member of the Patient Safety Committee
 - Lead of 'Room of Errors' during National Patient Safety Week
- Member of the Falls Committee
 - Review every fall event for medications
- Member of the corporate Medication Safety Advisory Group

Medication Error Analysis

- Analyze and trend incident reports submitted internally at NFRMC and evaluate externally published reports
- Give feedback to pharmacy staff members involved in errors
- Participate in Root Case Analyses of medication errors
- Prepare and present Patient Safety Cases and focused medication event analyses to Medication Error Team and others as needed

Teaching Experience

- Preceptor for the Medication Safety advanced pharmacy practice experiential (APPE) rotation for University of Florida Pharmacy Students

Education and Policy Work

- Create and disseminate education for pharmacy, nursing, and physician staff as needed on medication safety topics
- Develop competencies for pharmacists and pharmacy technicians
- Revise and develop new hospital policies
 - Major work on the Anticoagulation Management Policy; Adult Electrolyte Policy

Pharmacy Department Responsibilities

- Inpatient pharmacy staffing
-

Oct 2011 to Dec 2012

Writer/Contributor of Off Label Monographs

Wolters Kluwer
St Louis, Missouri

Jul 2011 to Jun 2012

ISMP Fellowship Experiences

ISMP Safe Medication Management Fellowship

Institute for Safe Medication Practices
Horsham, Pennsylvania

ISMP Medication Error Prevention Information

- Provision of ISMP policies and recommendations to healthcare professionals and institutions
- Participation in ISMP webinars and meetings
 - ISMP IV Safety Summit, Oct 2011
 - ISMP Symposium: Using Bar Code and Digital Imaging Technology to Reduce IV Compounding Errors, Dec 2011
 - Maryland Patient Safety Center MEDSAFE Annual Conference, Nov 2011
 - ISMP Webinar: Reducing Hospital Readmissions Through Medication Use Optimization, Mar 2012
 - Alpha Zeta Omega – Philadelphia Alumni Chapter CE Presentation: Medication Errors: Detection, Reporting, and Prevention, Mar 2012

Writing and Editorial Activities

- Reviewer/Contributor, *ISMP Medication Safety Alert!* Newsletters
 - Acute Care Edition
 - Community/Ambulatory Edition
 - Nurse Advise-ERR
 - Safe Patient
- Reviewer, ISMP Consultation Reports
- Article written for the *Journal of Emergency Nursing*
- Article written for *Pharmacy Practice News*
- Article written for *Pennsylvania Patient Safety Advisory*

Medication Error Analysis

- Analyze and trend ISMP's National Medication Error Reporting Program submissions
- Created document for an ASHP Foundation Workgroup focusing on Insulin Safety
 - Analyzed insulin errors from the ISMP Medication Error Reporting Program and MEDMARX Reporting Program
- Analyzed errors reported to the PA Patient Safety Authority regarding loading dose errors

Prospective Medication Use Process Evaluation

- Participation in ISMP on-site consultations

Prospective Proprietary Medication Evaluation

- Participation in Failure Mode and Effect Analysis (FMEA) reviews of proprietary names
- Participation in review of labeling and human factors of new medications

Teaching Experience

- Preceptor for Medication Safety experiential rotation for Temple University PharmD students
-

Jul 2010 to Jun 2011

ASHP Accredited PGY-2 Residency Experiences

Drug Information Resident

University of Kansas Hospital

Kansas City, Kansas

Medication Safety

- Participation in Medication Safety Subcommittee
- Participation in Patient Safety Conferences
- Compilation and presentation of quarterly *ISMP Medication Safety Alert* Summary Report
- Service on the Pharmacy Peer Review groups (Clinical, Operations, Cancer Care, and Outpatient)
- Publication of the Pharmacy Department publication, *From Your Peers*
